RE: MUR 6859

Dear Mr. Timmer:

On April 21, 2014, the Federal Election Commission reviewed the allegations in your complaint dated August 1, 2014, and found that on the basis of the information provided in your complaint and information provided by the respondents that: there is no reason to believe that Friends of John Moolenaar and Gwen D. Lang in her official capacity as treasurer ("State Committee") violated 52 U.S.C. § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)) and 11 C.F.R. § 110.3(d) by making impermissible transfers to the Moolenaar for Congress committee; there is no reason to believe that Moolenaar for Congress and Gwen D. Lang in her official capacity as treasurer ("Federal Committee") violated 52 U.S.C. § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)) and 11 C.F.R. § 110.3(d) by accepting impermissible transfers from the State Committee; there is no reason to believe that the Federal Committee violated 52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)); and, there is no reason to believe that John Moolenaar violated 52 U.S.C. § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)) and 11 C.F.R. § 110.3(d).

Also on April 21, 2014, the Commission found that on the basis of the information provided in your complaint and information provided by the respondents that, there is no reason to believe that Value for Michigan and John P. Yob in his official capacity as treasurer, John P. Yob, or Strategic National Campaign Management LLC violated the Act. Accordingly, the Commission closed the file in this matter.

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003) and Statement of Policy Regarding Placing First General Counsel's Reports on the Public Record, 74 Fed. Reg. 66,132 (Dec. 14, 2009). The Factual and Legal Analysis, which more fully explains the Commission's findings, is enclosed.

in her official capacity as treasurer

in her official capacity as treasurer

Value for Michigan and John P. Yob in his official  
capacity as treasurer

I. INTRODUCTION

This matter was generated by a complaint alleging that Michigan State Senator and Congressional candidate John Moolenaar violated the Federal Election Campaign Act of 1971, as amended (the "Act"),<sup>1</sup> and Commission regulations by using funds from his state campaign committee, Friends of John Moolenaar ("State Committee"), to pay for consulting services performed on behalf of his federal campaign committee, Moolenaar for Congress (the "Federal Committee"), during the 2014 primary election period.<sup>2</sup> Specifically, Complainant asserts that the State Committee indirectly paid for the services of Federal Committee vendor Strategic National Campaign Management LLC ("Strategic National") when it donated \$98,000 to Value for Michigan ("VFM"), a state political action committee whose treasurer is Strategic National's principal, John P. Yob.<sup>3</sup> The complaint further alleges that the Federal Committee has "run afoul of the FEC's reporting requirements" because the Federal Committee failed to report payments

<sup>1</sup> On September 1, 2014, the Act was transferred from Title 2 to Title 52 of the United State Code.

<sup>2</sup> Compl. at 1-3. *See* 52 U.S.C. § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)); 11 C.F.R. § 1103(d).

<sup>3</sup> *Id.* at 1-2. *See* 52 U.S.C. § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)); 11 C.F.R. § 1103(d).

1 to, or in-kind contributions from, Strategic National.<sup>4</sup> In a joint response, Respondents deny the  
2 allegation that the State Committee funds were used to pay for services provided to the Federal  
3 Committee and request that the Commission take no action in the matter.<sup>5</sup>

4 As discussed below, the Commission finds no reason to believe that Respondents  
5 violated the Act and Commission regulations in connection with these allegations.

## 6 II. FACTUAL AND LEGAL ANALYSIS

### 7 A. Facts

8 John Moolenaar was a 2014 candidate for Congress in Michigan's 4th Congressional  
9 district.<sup>6</sup> At the time of his candidacy, Moolenaar was a sitting Michigan state senator.<sup>7</sup> During  
10 the 2014 Congressional election, the Federal Committee hired Strategic National as a vendor to  
11 provide political consulting and direct mail services. The Federal Committee disbursed a total of  
12 \$4,400 to Strategic National and incurred debts with Strategic National totaling \$138,011.75.<sup>8</sup>

<sup>4</sup> *Id.* at 2. See 52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)).

<sup>5</sup> Resp. at 1-3 (Sept. 29, 2014).

<sup>6</sup> See FEC Form 1 (Statement of Organization) (Apr. 14, 2014); FEC Form 2 (Statement of Candidacy) (Apr. 14, 2014). Moolenaar won the Republican primary election on August 5, 2014, and the general election on November 4, 2014. See Michigan Department of State, 2014 Official Michigan Primary Election Results for 4th Congressional District at <http://miboeccfr.nictusa.com/election/results/14PRI/06004000.html>; 2014 Official Michigan General Election Results at <http://miboeccfr.nictusa.com/election/results/14GEN/06004000.html>.

<sup>7</sup> Moolenaar did not seek re-election to the state senate in 2014 and his term ended on December 31, 2014. See Declaration of John Moolenaar ¶ 4 (Sept. 29, 2014). The State Committee was officially dissolved in February of 2015. See The State Committee: 2015 Annual Campaign Statement; Letter from Amy Lovegrave, Analyst, Disclosure Division, Michigan Bureau of Elections to Friends of John Moolenaar (Feb. 17, 2015).

<sup>8</sup> See Moolenaar for Congress: 2014 October Quarterly Report; 2014 Amended October Quarterly Report; and 2014 Year End Report.

1 John P. Yob is the chief executive officer and registered agent of Strategic National.<sup>9</sup> Yob is  
2 also the treasurer of Value for Michigan,<sup>10</sup> a state political action committee that registered with  
3 the Michigan State Bureau of Elections as an Independent Committee on February 24, 2011.<sup>11</sup>

4 On July 24, 2014, the State Committee donated \$98,000 to VFM for the purpose of  
5 transferring “excess funds.”<sup>12</sup> This donation exhausted most of the State Committee’s remaining  
6 cash on hand of \$104,554.95.<sup>13</sup> VFM disclosed relatively little activity from its inception in  
7 2011 until it received the State Committee’s \$98,000 donation. After receiving the State  
8 Committee’s donation, VFM donated \$52,000 to eleven state-level candidates and one candidate  
9 for the Board of Regents of the University of Michigan between July 25, 2014, and September

<sup>9</sup> See Strategic National Campaign Management, LLC, Articles of Organization, Michigan Department of Labor and Economic Growth, Bureau of Commercial Services (Mar. 23, 2009). Yob is also the principal of four other consulting companies that provided a variety of services to the Federal Committee during the 2014 election including, yard signs, data lists, phone calls to voters, endorsement calls, telephone town hall, polling, and support messaging: E-Design Company, Victory Processing, LLC (“Victory Processing”), Victory Phones, LLC (“Victory Phones”), and Victory Phones Live, LLC (“Victory Live”). State filings indicate that Yob is the chief executive officer for Victory Processing, Victory Phones and Victory Live. See Articles of Organization, Michigan Department of Labor and Economic Growth, Bureau of Commercial Services (July 13, 2012; Nov. 7, 2012; Feb. 21, 2012). See also Resp. at 3. The Federal Committee disbursed approximately \$52,601.84 and incurred \$74,329.12 in debts to the five companies operated by Yob by end of the primary and general elections. See Moolenaar for Congress: 2014 July Quarterly Report; 2014 Pre-Primary Report; 2014 Amended October Quarterly Report; 2014 October Quarterly Report; 2014 Pre-General Report; 2014 Post-General Report.

<sup>10</sup> It appears that VFM operates out of the same address as Strategic National, Victory Processing and Victory Phones – 190 Monroe Avenue NW, Suite 500, Grand Rapids, MI.

<sup>11</sup> In Michigan, an Independent Committee is formed to support one or more candidates and may also support or oppose ballot questions. An Independent Committee may not accept contributions from corporations, joint stock companies, labor organizations, domestic dependent sovereigns, from persons holding an interest in one of the three casinos located in Detroit or from foreign nationals. In certain circumstances, an Independent Committee may give candidate committees ten times the amount a political action committee or individual may donate to the candidate. See *Candidate Committee Manual*, Michigan Department of State Bureau of Elections, App. H. (Committee Types), available at [http://www.michigan.gov/documents/APPENDIX\\_H\\_157777\\_7.pdf](http://www.michigan.gov/documents/APPENDIX_H_157777_7.pdf). VFM is not registered with the Commission as a political committee.

<sup>12</sup> See Friends of John Moolenaar 2014 October Quarterly Campaign Statement; Value for Michigan Late Contribution Report (July 25, 2014).

<sup>13</sup> On August 24, 2014, the State Committee donated \$1,600 to the Moolenaar Leadership Fund for the same purpose and ended the reporting period with a balance of \$2,472.04. See Friends of John Moolenaar 2014 October Quarterly Campaign Statement.

1 23, 2014.<sup>14</sup> Then, VFM donated \$45,500 to twelve state-level candidates and the same  
2 candidate for the University of Michigan Board of Regents between October 21, 2014, and  
3 November 20, 2014.<sup>15</sup>

4 Complainant alleges that the purpose of the State Committee's \$98,000 donation to VFM  
5 was to compensate Strategic National for services it performed for the Federal Committee.<sup>16</sup> The  
6 complaint provides a copy of a strategy memo dated July 21, 2014, that Strategic National  
7 purportedly prepared for the Federal Committee, and asserts that the Federal Committee reported  
8 no disbursements to Strategic National on the 2014 July Quarterly Report (covering activity  
9 between April 1, 2014, and June 30, 2014) or Pre-Primary Report (covering activity between  
10 July 1-16, 2015).<sup>17</sup> The complaint notes that Strategic National prepared this strategy  
11 memorandum just before the State Committee donated \$98,000 to VFM on July 24, 2014, and  
12 concludes that Moolenaar used VFM as an intermediary to funnel state funds to a company  
13 providing services to his federal campaign, which constitutes a "clear" violation of 11 C.F.R.  
14 § 110.3(d) and resulted in the State Committee subsidizing the Federal Committee with  
15 impermissible funds.<sup>18</sup>

<sup>14</sup> Valuc for Michigan 2014 Amended October Quarterly Campaign Statement.

<sup>15</sup> Valuc for Michigan 2015 February Quarterly Campaign Statement.

<sup>16</sup> Compl. at 1-2.

<sup>17</sup> *Id.* at 2, Ex. C. The memorandum details the Federal Committee's district-wide advertising strategy, discusses the campaign's internal tracking of voter support, and concludes that the race between Moolenaar and Mitchell was "very close" with the results to be determined by turnout and the continuous support by outside groups. *Id.*, Ex. C.

<sup>18</sup> Compl. at 2. Complainant also posits that this scheme may have involved an explicit agreement whereby Yob and Strategic National would not charge the Federal Committee for consulting services if, at the conclusion of the primary campaign, Moolenaar donated the remaining funds in this state campaign account to VFM. *Id.* Moolenaar donated the vast majority (but not all) of his state campaign funds to VFM but did so in advance of, and not after, the primary election. Friends of John Moolenaar 2014 Amended October Quarterly Report.

1 In a joint response, Respondents deny the allegations that they violated the Act and  
2 Commission regulations by transferring funds from the State Committee to VFM and assert that  
3 the complaint “has no merit.”<sup>19</sup> Respondents assert that the transfer is allowed under a Michigan  
4 law requiring terminating candidate committees (such as the State Committee) to disburse its  
5 unexpended funds.<sup>20</sup> According to the Michigan state statute cited in the response, “upon  
6 termination of a candidate committee,” unexpended funds of that candidate committee not  
7 eligible to be transferred to another candidate committee of that candidate may be “given to an  
8 independent committee.”<sup>21</sup> The response also points out that VFM, as a state registered  
9 independent committee, is prohibited by Michigan law from paying Yob, or anyone else, for  
10 services provided to a federal campaign.<sup>22</sup>

11 The response includes declarations signed by Moolenaar and Yob in which they  
12 specifically deny engaging in a scheme to pay Yob for services performed on behalf of the  
13 Federal Committee with non-federal Funds donated to VFM. Moolenaar states in his declaration  
14 that the \$98,000 contribution to VFM was done in connection with dissolving his state  
15 committee and that he understood that the funds would be used to make contributions to state  
16 candidates consistent with the Michigan law.<sup>23</sup> Further, Moolenaar avers that there was “no  
17 agreement with any person that the \$98,000 contribution to VFM would be used to pay Yob or

1 any of his companies” for services rendered to the Federal Committee.<sup>24</sup>

2 Like Moolenaar, Yob explicitly states in his declaration that he had “no agreement with  
3 Senator Moolenaar or any other person” that the \$98,000 would be used to pay him or any of his  
4 companies for services rendered to the Federal Committee.<sup>25</sup> According to Yob, he intended to  
5 use the funds to make contributions and expenditures in accordance with Michigan law.<sup>26</sup>

6 Finally, the response states that Complainant’s allegation that the Federal Committee  
7 failed to accurately report services performed by Yob and his companies is factually inaccurate.<sup>27</sup>  
8 According to Respondents, the Federal Committee did not disclose payments relating to the  
9 services reflected in the July 21 memorandum in its 2014 Pre-Primary Report because that  
10 document was created three days after the committee closed its “books” for that reporting  
11 period.<sup>28</sup> The Federal Committee filed its 2014 Pre-Primary Report, covering activity engaged in  
12 between July 1 and July 16, on July 24, 2014.<sup>29</sup>

### 13 B. Legal Analysis

14 The complaint alleges that the State Committee’s \$98,000 donation to VFM was payment  
15 for services that Strategic National provided to Moolenaar’s federal campaign by Strategic  
16 National. The Act prohibits a federal candidate, a candidate’s agent and entities established,

<sup>27</sup> Resp. at 3.

<sup>28</sup> *Id.*

<sup>29</sup> *Id.* See Moolenaar for Congress 2014 July Quarterly Report and 2014 Pre-Primary Report. Respondents also state that, contrary to Complainant’s allegations, the Federal Committee properly reported payments to Yob’s other companies during both the 2014 July Quarterly and Pre-Primary reporting periods. Specifically, the Federal Committee disclosed disbursements totaling \$11,188.91 to Victory Phones and \$12,259.12 to E Design Company. According to the response, additional payments to Yob or any of his companies made after July 17, 2014 would be disclosed in subsequent reports. Resp. at 3.

1 financed, maintained or controlled by them from soliciting, receiving, directing, transferring or  
2 spending funds in connection with a federal election, unless those funds are subject to the  
3 limitations, prohibitions and reporting requirements of the Act.<sup>30</sup> The transfer of funds or assets  
4 from a candidate's campaign committee or account for a nonfederal election to his or her  
5 principal campaign committee or other authorized committee for a federal election is  
6 prohibited.<sup>31</sup> Thus, if the State Committee paid for services provided to the Federal Committee,  
7 the Federal Committee has received an prohibited in-kind contribution from the State Committee  
8 in violation of 52 U.S.C. § 30125 (formerly 2 U.S.C. § 441i(e)(1)(A)).

9 The complaint argues that the timing and amount of the State Committee's donation and  
10 the interrelationships between the respondents demonstrates that there was a scheme to use  
11 Moolenaar's state campaign funds to benefit his federal candidacy. These circumstantial facts,  
12 however, do not appear to be supported by any available information showing a connection  
13 between the State Committee's donation and the services provided to the Federal Committee by  
14 Strategic National. In particular, Moolenaar's and Yob's declarations specifically deny  
15 funneling the State Committee's \$98,000 donation to VFM to pay Yob or Strategic National for  
16 consulting services provided to the Federal Committee. Based on the information available, it  
17 appears that Moolenaar's actions were intended merely to divest his state candidate committee  
18 by donating funds to VFM and are apparently in compliance with state law. Moolenaar did not  
19 seek re-election to the state senate in the spring of 2014 and represents that he does not intend to

<sup>30</sup> 52 U.S.C. § 30125 (formerly 2 U.S.C. § 441i(e)(1)(A)).

<sup>31</sup> 11 C.F.R. § 110.3(d). See also MUR 6267 (Paton For Senate) (Paton's federal committee received prohibited transfer of funds when Paton's state senate committee paid for polling and a survey benefiting his federal campaign); MUR 5646 (Cohen for New Hampshire) (Cohen's federal committee received prohibited transfer of funds when Cohen's state committee paid for start-up expenses related to his U.S. Senate campaign); and MUR 5426 (Dale Schultz for Congress) (Schultz's federal committee received prohibited transfer of funds when the Schultz state committee paid for expenses that the candidate incurred in connection with his federal election).

1 run for state office in the near future.<sup>32</sup> The State Committee's donation of "excess funds" to  
2 VFM, an independent state political action committee, appears consistent with state requirements  
3 that terminating candidate committees disperse unexpended campaign funds and with the  
4 allowable ways to disperse those funds.<sup>33</sup> In addition, after Moolenaar won the August 5, 2014,  
5 federal primary election, the State Committee continued to donate "excess" campaign funds —  
6 specifically to Moolenaar's own leadership PAC — and ended the October Quarterly reporting  
7 period with an ending balance of \$2,420.04. Finally, all but \$500 of the State Committee's  
8 \$98,000 donation to VFM was, in turn, donated by VFM to twenty-one state and local candidates  
9 between July 25, 2014, and November 20, 2014.<sup>34</sup>

10 There is also no available information indicating that the Federal Committee failed to  
11 properly report disbursements to Strategic National in the 2014 July Quarterly and 2014 Pre-  
12 Primary Reports. The Federal Committee reported disbursing \$4,400 to Strategic National for  
13 political consulting on September 11, 2014 and incurring debts totaling \$99,511.75 to that firm  
14 for the same services, as of its 2014 October Quarterly Report. There is no evidence that  
15 Strategic National began providing services to the Federal Committee prior to July 21, 2014,  
16 which is the date of the strategy memorandum prepared by the company for the federal  
17 campaign. Therefore, it does not appear that these particular services had to be disclosed prior to  
18 the Federal Committee's 2014 October Quarterly Report, covering activity between July 17,  
19 2014, and September 30, 2014, as alleged in the complaint.

1           Given the specificity of the declarations provided by Moolenaar and Yob and the  
2 corroborating information outlined above, the Commission finds that there is no reason to  
3 believe that Moolenaar, the Federal Committee, and the State Committee violated 52 U.S.C.  
4 § 30125(e)(1)(A) (formerly 2 U.S.C. § 441i(e)(1)(A)) or 11 C.F.R. § 110.3(d) or that the Federal  
5 Committee violated 52 U.S.C. §30104(b) (formerly 2 U.S.C. § 434(b)) in connection with the  
6 State Committee's donation to VFM and the services performed by Strategic National on behalf  
7 of the Federal Committee. Further, the Commission finds that there is no reason to believe that  
8 VFM, Yob, and Strategic National violated the Act in connection with the allegations in this  
9 matter.
